FOR IMMEDIATE RELEASE 7/15/22

## **Southern Screams – Charleston’s Premier Haunted House Attraction – Opens at Holy City Brewing This Fall**

CHARLESTON, SC (Jul. 15, 2022) - **Southern Screams – Charleston’s Premier Haunted House Attraction** - is excited to announce that its 2022 event “INSANE at Holy City Brewing” will open for 24 terrifying nights this Sept/Oct at Holy City Brewing in Park Circle (North Charleston), providing guests with an immersive journey through the dark halls of Ashley Acres Asylum. The staff at Ashley Acres Asylum are excited to welcome new patients, but the secrets behind the walls of this facility will shock and terrify you, and your worst nightmares soon come to life.

Beginning Friday, September 30, Southern Screams will operate Wed thru Sun nights at Holy City Brewing, and will also be open for its last event night on Halloween Night, Monday, October 31. Guests can purchase both General Admission and VIP tickets, with the VIP ticket offering a complimentary beer from Holy City Brewing in addition to front-of-line access to Ashley Acres Asylum.

“We are so thrilled to be partnering with Holy City Brewing to bring frights and fun to the Lowcountry this Fall, and can’t wait for our guests to experience our event - INSANE at Holy City Brewing. What better way to enjoy the Halloween season with friends and family, than to have some delicious food and drinks at Holy City Brewing and get your pants scared off at our haunted house attraction – all in one place!” said Nate Shoemaker, Owner of Southern Screams.

Southern Screams loves all animals, and donates a portion of all ticket sales each year to Charleston Animal Society, along with other non-profit organizations across the Lowcountry. Additional information including ticket sales can be found at [southernscreams.com](http://southernscreams.com) and on social media @southernscreams
