FOR IMMEDIATE RELEASE 7/9/24

## **Southern Screams – Charleston’s Premier Haunted House Attraction – Presents CONJURED at Holy City Brewing for 27 terrifying nights Sept 27 thru Nov 2**

CHARLESTON, SC (July 9, 2024) - **Southern Screams – Charleston’s Premier Haunted House Attraction** - is excited to announce that it will return to Holy City Brewing in Park Circle (North Charleston) for 27 terrifying nights this Halloween season! Guests will experience an all-new haunted house attraction – CONJURED: Venture into the heart of darkness where ancient practices and the occult intertwine. You’re the final ingredient needed for the summoning ritual. Beware the eyes that follow you from the shadows, for every step deeper might just be your last. Will you escape the grip of the spirit world, or will your soul be claimed forever?

Kicking off Friday, September 27, Southern Screams will operate Wed through Sun nights at Holy City Brewing. The haunted house will also operate for two special “Lights Out” event nights on November 1-2, where the lights have been turned off and groups will have nothing but a lantern to guide them through the dark halls. Guests are able to purchase multiple ticket types including General Admission, an elevated R.I.P experience which includes private areas, expedited entry, and more, and NEW this year – a special Behind the Screams ticket option available on select nights only!

“2024 marks our third season at Holy City Brewing, and this year’s attraction – CONJURED – promises to deliver our most terrifying and thrilling experience yet. We continue to develop creative ways to ensure our guests are transported into a new world of nightmares, and this year does not disappoint! Come celebrate spooky season with us where you can eat, drink, and be scary – all in one location!” said Joseph Spiotta, Director of Talent & Operations at Southern Screams.

Southern Screams proudly supports the community by actively engaging with local organizations and initiatives. In line with this commitment, a portion of ticket sales is donated to local non-profit organizations.
